

## Henry County Gun Club

1955 Goldston Springs Road, Puryear, TN 38251

[Henry County Gun Club – Tennessee's Little Secret](#)

With the weather breaking more favorably now, Event Participation is on the increase. Last month record turnouts and look forward to a very active Summer.

A special word of THANKS to some of our club members:

**Ken Donohue** pressure-washed the Clubhouse and it looks great. Ken also gave all the concrete benchrest tops a fresh coat of paint. **Michael Breeds** and crew did a great job of running new electrical line for the outdoor lighting. Now we're just waiting on an electrician to do the final hookup.

**Neal Schaefer** is holding regular Safety Brief sessions for the record number of new applicants coming on board with the General Membership meeting on July 6<sup>th</sup>. Neal has also replenished the supply of 1x2 target sticks at the pistol range and is setting up a projector screen in the Clubhouse for training and instruction as needed.

### Highlights from the June Meeting

## Announcements

---

### Clubhouse Front Door

Still having some trouble with the front door to the Clubhouse being left unlocked. It's a little confusing since you can only lock it from the Inside and go out the side door. Neal Schaefer is preparing signage with instruction to post near the door.

### Magnetic rollers ordered

Should be getting several steel rollers to pickup the steel cases and additional recycle containers will be made available.

### July 6<sup>th</sup> BOG & General Membership Meeting

Should have a huge turnout for next month's meeting. At this point in time we have 26 newly approved members to be voted in as Probationary members and another 21 Probationary Members qualified for their Full-membership vote.
