Henry County Gun Club – Puryear, TN

August 29th & 30th, 2020

**This is an Advanced Known Distance event.
Only previous Appleseed attendees should sign up.
This event will require a Centerfire rifle.**

Known-Distance Appleseeds

A “Known-Distance Appleseed” is a weekend-long program that teaches the secrets of shooting out to 400 yards, including target detection and ranging; measuring and compensating for wind; scopes and reticles; MOAs and mils, boxing your sights, battle-sight zero and come-ups, and much more.

Since this material requires previous exposure to the skills taught at an Appleseed, only students who have been to at least one Appleseed can attend a “KD Appleseed.” Experienced shooters will find that shooting successfully at “Rifleman distances” is a major confidence builder and an opportunity not to be missed!
