APPLESEED RIFLE CLINICS AT HCGC - 2021

May 29th – 30th and September 11th -12th

Project Appleseed, a national organization, will hold rifle clinics at the HCGC again this year. They are for experienced shooters as well as beginners. Everyone will learn from the experience. Army veterans have told us that we teach them more in one day than the Army taught them in 20 years.

These events are now listed on the Appleseed website: www.appleseedinfo.org. Information, registration, and preparation for an event are available on this website by using the “EVENTS” choice at the top of its Home page. Additional information about Appleseed may be found by selecting “Latest News” choice at the top of the Home page and choosing the first two items which appear.

The first event is scheduled for May 29-30 and will be held on the pistol range. The next one will be a long distance event held on the 600 yard range September 11-12. Information provided at the first event will be required for attendance at the second. Therefore, in order to attend the one in September you must first attend the one in May, unless you have attended a similar one previously.

Additional information about our events may also be found on the HCGC website by clicking on Appleseed Events

It is urgently recommended that you register on-line as quickly as possible for the first event.

I will be glad to supply any additional information desired.

Don Duncan dsduncan@twc.com / 270-293-1250

Tactical Rifle Match

Every 2nd Saturday this May-June-July-August
