To qualify for the 600, contact any BOG member or Match Director for any event that takes place there.

September 11th -12th

This is an Advanced Known Distance event.

Only previous Appleseed attendees should sign up.

This event will require a Centerfire rifle.

Known-Distance Appleseed

A “Known-Distance Appleseed” is a weekend-long program that teaches the secrets of shooting out to 400 yards, including target detection, and ranging; measuring and compensating for wind; scopes and reticles; MOAs and mils, battle-sight zero and come-ups, and much more. Since this material requires previous exposure to the skills taught at an Appleseed, only students who have been to at least one Appleseed can attend a “KD Appleseed.” Experienced shooters will find that shooting successfully at “Rifleman distances” is a major confidence builder and an opportunity not to be missed!
