SAFETY FIRST

It is recommended all club members, regardless of medical skill levels initially and then periodically review first aid procedures. Firearms are inherently dangerous and require the utmost respect and attention to safe operating procedures. Accidents do AND WILL happen! Having a prepared mindset and skillset can and will save lives. Review of proper use of the IFAK (individual first aid kit) employed by our club can easily be accomplished with YOU TUBE videos listed below.

[Everything you need in your IFAK. Sheepdog response IFAKs 101](#)

[Application of Israeli pressure bandage Skinny Medic](#)

[CAT G7 Tourniquet use/application Skinny Medic](#)

[CPR Training: Best CPR Video Ever](#)

The IFAK used by the Club and located in pistol bay #1, the clubhouse on the West wall and at the 600 yard Rifle range is the **LX Spread Eagle Gunshot/Trauma/Hemorrhage kit**. The listed videos explain how to use the following contents.

Each kit contains:

NAR (North American Rescue) Hyfin Chest seals

NAR CAT G7 Tourniquet

Gloves (2)

Israeli Combat Pressure Bandage

Fluff gauze

Burn gel

ABD (Large Abdominal Wound Dressing)

Nasopharyngeal airway

Quick Clot Z-fold gauze to pack INTO wounds

Cutting Shears

Foil (Space Blanket) for shock and maintain body heat

2" ACE bandage roll

2", 3", & 4" Kling gauze rolls

It is recommended that ALL MEMBERS obtain and know how to use their own trauma kits to always have when using firearms. Many are available for less than \$100 and need not be as extensive as the Club's kit. Merely go to Amazon.com and query IFAK.

Remember, you must be prepared to deal with trauma. Prepare your mind!!! Create scenarios in your mind and your desired response. The life you save may be YOURS!

NEXT EVENT: **October 8th**

At the **600-yard range**, Henry County Gun Club

8am – Setup and practice **9am** – Match begins

It's finally time to reach way back in your gun closet and pull out that old Lever-action.

The Oct 8th Silhouette match will be our first long range Silhouette shoot out to 200 meters on full size targets.

Any lever rifle is allowed. This is that chance to shoot your old or your dad or grandpa's old rifle.

There will be an unlimited sight in time to get your sights set so bring lots of ammo.

We will be shooting on the 600 yard range but only out to 200 meters.

The match requires only 40 rounds so save some for the match. Shooting vests like shotgunners use are allowed.

Bring binoculars as well. Spotting scopes are usually not allowed but will be for this match only.
