*Membership: TOTALS: Total: 314 -- 276 Full Members; 25 Probationary; 13 BOG-approved.

*February Match Reports: Skeet: 40 (138 rounds); Trap: 46 (137 rounds); USPSA: 32; Steel Challenge: 20; Vintage Sniper: 14; Sport Handgun: 12

Approval by BOG via email: \$77.90 approved for spare antennas and battery doors for the skeet handheld transmitters and receivers. \$40 approved for Lee Jackson to renew Club's NRA affiliation. \$16.41 approved for NRA supplies for the Silhouette match for Thomas Cannon.

Announcements: Member, Jason Gordon donated 6 8-inch AR500-3/8" metal target gongs to the club for installation where needed.

Old (unfinished) Business: To get quote for Combination padlocks and keypad door lock for Clubhouse. Thomas Cannon to get quote on enlarging the shooting platform at the 100/200-yd range. Member suggested spraying the ground for ticks, will gather info and get quote. Suggested awareness campaign to stop members from shooting metal targets with armor-piercing rounds.

New Business: Review revised Safety Brief, get volunteers, and set up Safety Brief sessions for April members. Go over various quotes from Norwood Construction. New-member applications approved for Thomas Cunningham and Ray Bremer. \$700 approved for new LED lighting in the Clubhouse. \$2000 advance approved for Grant Laird on improving the 100/200 range, adding a new pistol bay and moving old high house to the 600 range. Workday planned for April 8th at 1pm to remove downed trees from recent storm. \$200 approved for Pat Friel for shotgun grease board. Stuart Naulty discussed forming a committee to study broadening the scope of our current Trap/Skeet program with new events such as wobble traps, 5-stand, FITSAC and sporting clays. To start posting calendar of events on the clubhouse bulletin board and for JT to add to the face book page.

Vandalism at Henry County Gun Club

We have all seen examples of this vandalism in our Club.

Vandalism is not just a nuisance; it is also costly and dangerous.

This is a prop used in various matches at the club. Someone has laid this down and used it as a target. This is willful destruction of club property. There ARE plenty of target stands and sticks available.

Targets at the 100-yd & Pistol bays that have been fired upon with high-velocity rifle, magnum pistol or even armor-piercing rounds. These metal plates are permanently placed for the convenience of members. They aren't cheap.

A lot of work has gone into the building and maintenance of HCGC, one of the finest clubs in the surrounding area, if not the state. Whoever did this and/or similar acts at the club do not deserve to be a member.

Anyone caught trespassing, hunting, poaching or vandalizing Club property will be recommended for membership termination.

We will soon have security cameras in place that will help identify any culprits. Meanwhile, any Club member that witnesses any such action should notify a BOG member immediately.

DO NOT attempt to approach a suspected vandal. If possible, get a picture of their vehicle license plate and report to any BOG member.

Tactical Rifle Match

Saturday, April 8th

8:30am* at the 600-yard range

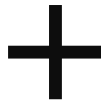

JT Hearn 270-752-0101 h_s_precision@att.net

Jeff Kirks 270-978-3025 jeffkirks@yahoo.com

*Match starts at 830. 30 cal and under. Velocity under 3100fps. Course of fire designed for semi-auto.

Stage 1 of our **Wi-Fi** set up is complete.

We now have Wi-Fi service in and around the Clubhouse. Members with smart-phones or laptops will be able to access the internet and use their wi-fi calling function for phone calls and ballistic apps. Ballistics apps will be able to pull real-time atmospheric data, BC databases and other information to better calculate firing solutions in the field.

The next stage will be adding wi-fi signal repeater/booster units to expand the coverage all the way to the 100-yard range. There will also be cameras mounted on the apex of the Clubhouse and on the light pole for the driveway entrance.

The final step will be to extend the coverage out to the 600-yard range.

To access Wi-Fi at the clubhouse, choose the 2.4G network for longer range, or the 5G for faster download. The password is written in the upper left corner of the chalk/blackboard in the Clubhouse.

The 2.4G network has a 100 Mbps upload and download speed. The 5G downloads at 325 Mbps and uploads at 375 Mbps.

Clubhouse Men's Room Remodeling Completed
