Clubhouse Gates are being found UNLOCKED & WIDE OPEN

There's been several times when Members have come to the Club and found the front gate unlocked and standing wide open. Same thing has happened at the 600 range.

IF YOU ARE THE LAST TO LEAVE THE CLUB PLEASE LOCK THE GATES BEHIND YOU

These combo padlocks lock any other padlock. Attach one link from each end of the chain in the Shackle the push down on it to lock. Then give a couple to the number wheels a spin to hide the combo originally entered.

Also, another reminder of how to UNLOCK these padlocks.....

1. Dial in the combination located at the bottom of the lock.
2. **Push DOWN on the shackle towards the padlock body to open.**
